

**Declaration of Performance**  
In accordance with Annex III of Regulation (EU) Nr. 305/2011

For the product  
**InnoElast Typ 1**  
DoP-Nr. 15651-1-2014-1

---

1. Unique identification code of the product:  
**EN 15651-1:2010: Typ F Ext-Int CC 25LM**  
**EN 15651-4:2012:PW CC 25LM**
2. Type, batch or serial number or any other element allowing identification of the construction product as required to Article 11, paragraph 4:  
**Batch number: See packaging of the products**
3. Intended use or uses of the construction product, in accordance with the applicable harmonized technical specification, as foreseen by the manufacturer:  
**Joint sealant for high-building, expansion joints and connection joints in the entire building industry**
4. Name, registered trade name or registered trade mark and contact address of the manufacturer as required pursuant to Article 11, paragraph 5  
**B.T. innovation GmbH, Sudenburger Wuhne 60,  
D-39116 Magdeburg**
5. Where applicable, name and contact address of the authorized representatives whose mandate covers the tasks specified in Article 12, paragraph 2:  
**n.a.**
6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:  
**System 3 plus 3**
7. In case of declaration of performance concerning a construction product covered by a harmonized standard:  
**A notified body, the KIWA Polymer Institute GmbH, NB in 1119, has made the determination of the product type on the basis of type testing by the system 3 and provided an according report.**
8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:  
**n.a.**

9. Declared performance:

Essential characteristics	Performance	harmonized technical standard
Reaction to fire DIN EN 13501-1	Class E	EN 15651-1:2012
Release of dangerous substances	NPD	EN 15651-4:2012
Stability under load ISO 7390	≤ 5 mm	
Volume loss ISO 10563	≤ 10 %	
Tensile behavior ISO 8339		
Tensile stress (+23 °C)	≤ 0,4 N/mm <sup>2</sup>	
Tensile stress (-30 °C)	≤ 0,9 N/mm <sup>2</sup>	
Tensile property under pre-load ISO 8340	passed	
Adhesive- and expansion behavior under pre-load after immersion in water ISO 10590	passed	
Resilience ISO 7389	≥ 70 %	

10. The performance of the product identified in points 1 and 2 is conformity with the declared performance in point 9. This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4. Signed for and on behalf of the manufacturer by
